

REMARKS

Claims 1-17 have been allowed in this application. By this Amendment, the drawings are amended for clarification purposes only. Prompt allowance of this application is respectfully requested.

Applicant gratefully appreciates the indication from the Patent Office that this application is now in condition for allowance except for formal matters. The Office Action objects to the drawings. The drawings are amended to overcome the objection by removing the label "37" from Fig. 5. Accordingly, withdrawal of the objection to the drawings and allowance of this application are respectfully requested.

Should the Examiner believe that anything further would be desirable in order to place this application in even better condition for allowance, the Examiner is invited to contact the undersigned at the telephone number set forth below.

Respectfully submitted,
